

Haddonfield United Methodist EARLY CHILDHOOD CENTER

Brochure and Application

OUR PROGRAMS (HUMECC and Camp Seashell)

INFANT & TODDLERS

Our Infant/Toddler classes are designed for children 1-3 years old to promote socialization skills preparing children for short separations from their parents/guardians. These skills are developed through hands-on, creative experiences with our loving, nurturing staff. Interactive play, music and introduction to basic school routines are all part of the fun.

PRESCHOOL

Our 3 year old curriculum is designed to develop self confidence and to master early learning skills. We achieve this by emphasizing socialization, shapes, colors, counting and numbers, letters and sounds and experiencing the world around us.

Our 4 year old curriculum furthers emotional development and helps children achieve academic preparedness and independence. Kindergarten readiness skills are emphasized with lessons including literacy skills, letters of the week, early math skills, science experiments and music.

The Transitional Kindergarten (TK) program is designed for the older 4 year old or 5 year old child who would benefit from a “bridge year” before entering kindergarten. Students leave TK prepared to enter the academic kindergarten successfully. TK emphasizes independent decision making, collaborative learning and promotes self-confidence.

The Kindergarten Enrichment (KE) class is designed to enrich the kindergarten experience. The curriculum enhances Haddonfield school district’s program emphasizing journal writing, storytelling, math skills, science and the world around us.

Our Full Day Kindergarten (FDK) class is modeled after the Haddonfield Public School kindergarten curriculum. The class has a strong focus on Foundations (which teaches reading, spelling and writing in a multisensory way), STEM science activities and math skills along with music, spanish, sign language and social studies to round out the curriculum. FDK students have the benefit of being in a small class (14 max) for instruction AND interacting with other kindergarten students during lunch and recess.

LUNCH BUNCH & TURTLE TIME

Lunch Bunch and Turtle Time are two fun ways to extend your child’s day. For an additional fee, you can pack a lunch and sign up each morning. Lunch Bunch extends the day until 1:00 PM. Turtle Time extends the day until 2:50 PM.

CAMP SEASHELL

Camp Seashell is our Summer Program. Camp Seashell runs for 8 weeks (June through the end of July). Hours are 9 am to Noon Monday through Friday with an option to extend the day until 1 PM for lunch for an additional fee. Please contact Michelle Finegan, Camp Seashell Director for information.

MISSION STATEMENT

It is the mission of the Haddonfield United Methodist Early Childhood Center (HUMECC) to help each child develop to the fullest of his or her potential in an atmosphere of love and trust, acceptance and understanding. We provide a nurturing environment, follow and encourage Christian values.
